

Request for Statement of Qualifications Architectural Services

Addendum #1 Issued February 21, 2022

The City of Hendersonville is requesting Statements of Qualifications from interested contractors for planning, design, and construction services.

This addendum serves to re-open the bid process for the Edwards Park Mini-Golf project. The City of Hendersonville received fewer than three (3) bids for the project required by statute. In accordance with North Carolina General Statute 143-128(e), the City is soliciting statements of qualifications according to the timeline summarized on page 2. No other changes have been made to the original request for qualifications (RFQ) and interested firms are encouraged to submit statements of qualification (SOQ) based on original criteria under the modified timeline.

In the original Request for Qualifications (RFQ), the City identified February 25, 2022 as a second submittal date. This date has also been modified – submissions will instead be due no later than **Friday, March 11, 2022, at 5:00pm.**

Responses to the City of Hendersonville's Request for Qualifications (RFQ) can be submitted by mail to Adam Murr at 160 6th Avenue East, Hendersonville, NC 28792, or by email to Adam Murr at amurr@hvlnc.gov. Bidders should contact Adam Murr at amurr@hvlnc.gov to confirm receipt of responses.

Updated Selection Process Timeline

The timeline for the review of qualification statements and selection of a firm is tentative as follows:
